EXPERIENCE

Hybrid & 4B Marketing - Lead Enterprise Account Management *Denver, CO • 01/2023 - 06/2025*

- Managed and grew regulated spaces and tech accounts through relationship building, strategy, and proactive communication.
- Oversaw multi-state operations for MSOs, coordinating compliance and aligning internal teams to client goals.
- Partnered with project managers and cross-functional stakeholders to design and execute client success plans tied to KPIs and outcomes.
- Streamlined onboarding and support processes, improving client experience and time-to-value.
- Maintained accurate CRM records, communicated data-driven results via QBRs, and identified risks and expansion opportunities.

TaskRay (Salesforce AppExchange Partner) - Mid-Market Customer Success / Account Manager *Remote / Hybrid • 09/2021 - 01/2023*

- Owned a portfolio of 50+ mid-market SaaS accounts, consistently achieving renewals and driving account growth while reducing churn.
- Led strategic business reviews for C-suite executives, demonstrating ROI and adoption milestones.
- Identified and executed expansion opportunities, strengthening customer partnerships and contributing to portfolio growth.
- Partnered cross-functionally with Sales, Marketing, and Product to drive platform adoption and customer satisfaction.
- Maintained accurate forecasting and account health reporting, ensuring proactive risk management and renewal planning.
- Supported onboarding, product training, and technical issue resolution to increase adoption.
- Acted as the voice of the customer, shaping product roadmap priorities and driving long-term success outcomes.
